## WELCOME ATHLETES!

Health First Health Plans and Running Zone Foundation welcome you to the 6th annual Running Zone Foundation Race Series. This year's Series offers six fun and family-friendly events including four 5Ks; one 3K and a 2-miler. We offer these shorter distances to promote participation among both walkers and runners of all ages and abilities.

And, knowing that being part of a team can provide sense of camaraderie and extra encouragement, we also offer awards in three team categories for each race as well as the overall Series.

Take the **Corporate Challenge!** Challenge your bosses and co-workers to tune up their fitness while flying your corporate colors. It is a great way to get to know one another both personally and professionally. Running Zone will even help your company develop a running or walking program for its employees!

Our **Team Challenge** lets any five friends, family members and/or co-workers enjoy the fun of competing together against other teams in the same category.

The **School Team Challenge** provides fitness and increased self-esteem for those 14 and under. More than 500 individuals in elementary and middle school have participated this season and Running Zone can help your school develop a walking or running program for your students.

Team division details appear later in this brochure or can be found in the Running Zone Race Series section of our website at <http://www.runningzone.com/series/>

Awards will be given to the top three teams in each division. Each team consists of at least five members with one of the members being the opposite sex. The top four of the same sex and the 1st member of the opposite sex will be scored.

This year we have expanded our Team Competition. We now offer the following team divisions identified below:

**Open Division:** Any five Team Members.

**Corporate Team Division:** (Any Five Employees of the Company – Employees Only).

Schools must participate in at least four series races to be eligible for the series award. (No Team Race Day Registration)

## ELIGIBILITY

Series races are scored for runners and walkers in all age categories. Participants in the series must run a minimum of **FOUR** series races to be eligible for the series awards.
